

NOTICE

HIGH POINT RESIDENTS

Many residents may have recently received a letter from Paul Feiner in their mailbox discussing several topics, specifically the excerpt regarding Noise Cameras.

If you are regularly disturbed by the noise of drag-racing on Central Park Avenue, please follow the instructions below on how you can help by Signing the Petition for installation of Noise Cameras.

TOWN of GREENBURGH

PAUL FEINER, Town Supervisor

Town Council:

JOY HABER

ELLEN HENDRICKX

GINA JACKSON

FRANCIS SHEEHAN

Dear Residents:

May 2024

SIGN OUR PETITION – SEEKING NOISE CAMERAS

This letter is being written to residents who live on or very close to Central Ave. who might be impacted in a negative manner by drag racing—especially during late evening hours. Some ways you can help:

You can sign the online petition asking the NYS Legislature to authorize noise camera tickets in Greenburgh/Westchester, found here: <https://www.change.org/noisecamera>

If you're not online, we have a printed version of the petition you can in my office—visit the Supervisor's Office at Town Hall, 177 Hillside Ave, during weekday office hours (9am-5pm) to sign the petition on the counter.

Another way you can help would be to email (pfeiner@greenburghny.com) or send me a note highlighting dates/times when drag racing occurs on Central Ave. If the racing keeps you up in the middle of the night- let me know. This will help in our lobbying effort -trying to persuade the state to grant the town permission for the cameras.
